

MILLIMAN VARIABLE INSURANCE TRUST
(THE “TRUST”)

SUPPLEMENT DATED NOVEMBER 13, 2023 TO THE PROSPECTUS DATED APRIL 28, 2023
FOR THE FOLLOWING SERIES OF THE TRUST
(EACH, A “FUND,” AND COLLECTIVELY, THE “FUNDS”):

Milliman 6-Month Buffered S&P 500 with Par Up Outcome Fund – May/Nov
Milliman 6-Month Buffered S&P 500 with Trigger Outcome Fund – May/Nov

Capitalized terms and certain other terms used in this supplement, unless otherwise defined in this supplement, have the meanings assigned to them in the Funds’ Prospectus.

The current Outcome Period for each Fund will end and, simultaneously, a new Outcome Period will commence on November 14, 2023 (the “New Outcome Period”). As of November 14, 2023, the estimated ranges of each Fund’s Par Up Rate and Trigger Rate, as applicable (each, a “rate”), for the New Outcome Period are available on the Funds’ website at <https://millimanfunds.com/trending-rates>, and will be updated on a daily basis. **Milliman Financial Risk Management LLC, the Funds’ investment adviser (“Milliman”), will not calculate the definitive rate applicable to each Fund’s New Outcome Period until the commencement of such Fund’s New Outcome Period (the “actual rate”), which will be based on (i) evaluation by Milliman of prevailing market conditions on the first day of the New Outcome Period, and (ii) the total number (for the Par Up Rate, Trigger Rate and Index Caps) or strike price (for the Spread) of options contracts on the applicable Reference Index(es) or corresponding ETF(s) that Milliman is able to purchase at that time (the number of which will depend, in part, upon the expected income from the Collateral Portfolio and the Put Spread Strategy). Accordingly, there is no guarantee that any actual rate will fall within the estimated ranges posted on the Funds’ website on any given day.**

INVESTORS SHOULD RETAIN THIS SUPPLEMENT FOR FUTURE REFERENCE.
